

LITERACY

Reading - word reading KS1

- e64 read words containing common suffixes
- e65 read further common exception words, noting unusual correspondences between spelling and sound and where these occur in the word

Reading - comprehension KS1

- e71 discussing the sequence of events in books and how items of information are related
- e75 discussing and clarifying the meanings of words, linking new meanings to known vocabulary
- e80 checking that the text makes sense to them as they read and correcting inaccurate reading

Writing - transcription - Spelling KS1

- e88 learning to spell common exception words
- e89 learning to spell more words with contracted forms
- e90 learning the possessive apostrophe (singular) [for example, the girl's book]

Writing - handwriting KS1

- e97 write capital letters and digits of the correct size, orientation and relationship to one another and to lower case letters

Writing - composition KS1

- e111 proof-reading to check for errors in spelling, grammar and punctuation [for example, ends of sentences punctuated correctly]

Writing - vocabulary, grammar and punctuation KS1

- e116 sentences with different forms: statement, question, exclamation, command
- e117 expanded noun phrases to describe and specify [for example, the blue butterfly]
- e119 subordination (using when, if, that, or because) and co-ordination (using or, and, or but)

MATHEMATICS AND COMPUTING

Number - number and place value KS1

- m36 read and write numbers to at least 100 in numerals and in words

Number - addition and subtraction KS1

- m38 solve problems with addition and subtraction:
- m48 recognise and use the inverse relationship between addition and subtraction and use this to check calculations and solve missing number problems.

Number - multiplication and division KS1

- m49 recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables, including recognising odd and even numbers
- m51 show that multiplication of two numbers can be done in any order (commutative) and division of one number by another cannot

Number - fractions KS1

- m53 recognise, find, name and write fractions, and of a length, shape, set of objects or quantity
- m54 write simple fractions for example, of 6 = 3 and recognise the equivalence of and .

Measurement KS1

- m55 choose and use appropriate standard units to estimate and measure length/height in any direction (m/cm); mass (kg/g); temperature (°C); capacity (litres/ml) to the nearest appropriate unit, using rulers, scales, thermometers and measuring vessels

- m59 solve simple problems in a practical context involving addition and subtraction of money of the same unit, including giving change
- m61 tell and write the time to five minutes, including quarter past/to the hour and draw the hands on a clock face to show these times

Statistics KS1

- m69 interpret and construct simple pictograms, tally charts, block diagrams and simple tables
- m70 ask and answer simple questions by counting the number of objects in each category and sorting the categories by quantity
- m71 ask and answer questions about totalling and comparing categorical data.

Statistics KS1

- m78 interpret and present data using bar charts, pictograms and tables
- m79 solve one-step and two-step questions for example, [How many more? and How many fewer?] using information presented in scaled bar charts and pictograms and tables.

This half term will focus on revision and revisiting areas of the Year 2 curriculum already covered.
 Week 1: SAT practice papers and self assessing, correcting written work - checking for basic punctuation and spelling of common exception words.
 Week 2: SAT practice papers and using contractions and adjectives.
 Week 3: SAT practice paper and using singular possessive apostrophe and adverbs to start sentences.
 Week 4: Year 2 SATs
 Week 5: Using digital literacy and making links to our science topic of the life-cycle of a butterfly.

This half term we will be revising the areas of the curriculum that have been covered during this academic year.
 Week 1: Fractions, finding missing numbers in a number sentence, reading and writing numerals and words, using the correct unit of measure, using the 4 operations: + - ÷ × and problem solving.
 Week 2: SAT practice papers and money: addition of coins, giving change, problem solving.
 Week 3: SAT practice papers, problem solving using the 4 operations, checking calculations using inverse, odd and even numbers, statistics: reading and interpreting data from tables and graphs.
 Week 4: Year 2 SATs
 Week 5: Statistics- collecting data, creating charts, graphs and tables, and reading and interpreting data.

AP & JF Eng & Maths Summer 1 '17 - Stage Coverage

MATHEMATICS AND COMPUTING

Number - number and place value **KS1**

- **m36** read and write numbers to at least 100 in numerals and in words

Number - addition and subtraction **KS1**

- **m38** solve problems with addition and subtraction:
- **m48** recognise and use the inverse relationship between addition and subtraction and use this to check calculations and solve missing number problems.

Number - multiplication and division **KS1**

- **m49** recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables, including recognising odd and even numbers
- **m51** show that multiplication of two numbers can be done in any order (commutative) and division of one number by another cannot

Number - fractions **KS1**

- **m53** recognise, find, name and write fractions , , and of a length, shape, set of objects or quantity
- **m54** write simple fractions for example, of $6 = 3$ and recognise the equivalence of and .

Measurement **KS1**

- **m55** choose and use appropriate standard units to estimate and measure length/height in any direction (m/cm); mass (kg/g); temperature ($^{\circ}$ C); capacity (litres/ml) to the nearest appropriate unit, using rulers, scales, thermometers and measuring vessels
- **m59** solve simple problems in a practical context involving addition and subtraction of money of the same unit, including giving change
- **m61** tell and write the time to five minutes, including quarter past/to the hour and draw the hands on a clock face to show these times

Statistics **KS1**

- **m69** interpret and construct simple pictograms, tally charts, block diagrams and simple tables
- **m70** ask and answer simple questions by counting the number of objects in each category and sorting the categories by quantity
- **m71** ask and answer questions about totalling and comparing categorical data.

Statistics **KS1**

- **m78** interpret and present data using bar charts, pictograms and tables
- **m79** solve one-step and two-step questions [for example, "How many more?" and "How many fewer?"] using information presented in scaled bar charts and pictograms and tables.

LITERACY

Reading - word reading **KS1**

- **e64** read words containing common suffixes
- **e65** read further common exception words, noting unusual correspondences between spelling and sound and where these occur in the word

Reading - comprehension **KS1**

- **e71** discussing the sequence of events in books and how items of information are related
- **e75** discussing and clarifying the meanings of words, linking new meanings to known vocabulary
- **e80** checking that the text makes sense to them as they read and correcting inaccurate reading

Writing - transcription - Spelling **KS1**

- **e88** learning to spell common exception words
- **e89** learning to spell more words with contracted forms
- **e90** learning the possessive apostrophe (singular) [for example, the girl's book]

Writing - handwriting **KS1**

- **e97** write capital letters and digits of the correct size, orientation and relationship to one another and to lower case letters

Writing - composition **KS1**
