

A strong, confident assertive class councillor standing up for Beeches.

When I was in Bluebells I was elected as a class councillor my sister was also elected as class councillor and made some big changes therefore, you can expect me to make changes to the school. I have been part of the Windy Nook Primary School community for eight years and

For far to long , pupils have been suffering badly from the exhaustion due to the horrendous amounts of homework .I will fight for two bits of homework a week; more breaktime equipment ;a wide range of food for lunch ;a school tuck shop and; extra breaktime.

If I were your class councillor I would always listen to your views and fight for the issues that matter to you , do not underestimate me the scale of the task ahead of me we will work together for change.

Vote for a better Windy Nook ,vote for change , vote for me.
