

VOTE xxxx FOR YOUR CLASS COUNCILLOR!!!

My name is Archie and please vote me as your councillor. I will be a great remodel!

When I was in Bluebells I was elected as a Rights Respector. I understand the values and expectations of being an important person. My mam and dad have made me very confident and I am influenced by them. I am very grateful. My mam works for the NHS as a secretary and my dad works as a Gas Man and also worked at caravan park. In year 4 and year 5 I worked with a girl called Benin! She came from Syria and had a disability. This shows that I would be a great role model and great for this job.

An issue I have with this school is our homework. We are exhausted with how much homework we get. I think we should get 1 page of English and maths and a reading plus. My next issue is how we don't have football nets. If someone scores a goal it will roll down to KS1 yard and anyone running could trip up and hurt themselves. And we don't want that happening do we!

Thank you for listening I hope you will vote for me. I will help in any way possible and try to fix everything! Vote for Archie!

VOTE FROM OCTOBER 10—15TH!
