This should be a quick process. Recap 'nk' sound https://www.youtube.com/watch?v=JZH86IliuqQ Extension: ask your child to "Fred talk" and write down some of the words from the game.
Literacy	Little Robin Red Vest https://www.dailymotion.com/video/x58t5ad or you might have this book by Jan Fearnley. Talk about the story with your child. Can they retell the story? Ask your child to draw the red robin from the story. Can they attempt to label it? for example, vest, red chest, leg, wing, REMEMBER: this is a task of sounding out words, and writing them, not copying writing. Encourage good pencil grip /control and correct letter formation.	Little Robin Red Vest https://www.dailymotion.com/video/x58t5ad Talk about the story with your child. Can they retell the story? Use the robin writing a sentence or ask your child to draw the red robin. Underneath ask your child to write a sentence. the fat robin, the red robin, (If you feel your child needs further challenge, try writing – the robin has a red vest, the robin is red and fat). REMEMBER: this is a task of sounding out words, and writing them, not copying writing. Encourage good pencil grip /control and correct letter formation.	Little Robin Red Vest https://www.dailymotion.com/video/x58t5ad Talk about the story with your child. Can they retell the story? Can you draw your favourite scene from the story and try and label it? Discuss with your adult why it is your favourite part.	Use the robin on the branch sentence writing sheet to talk about the picture. Use the sheet or ask your child to draw their own robin on the branch. Ask your child to write: "a robin on the branch." Extension: They could try writing a big robin on the branch, a fat red robin on the branch REMEMBER: this is a task of sounding out words, and writing them, not copying writing. Encourage good pencil grip /control and correct letter formation.	Little Robin Red Vest https://www.dailymotion.com/video/x58t5ad Talk about the story with your child. Can they retell the story? Discuss how the story is about robin helping his friends. Ask your child to draw a picture of them helping to tidy up and write a sentence for example I can help mop, I can help brush, I can help pick up a doll, I can help pick up a dog

Maths	Do some counting from 0-20 and then 10 – 0. Say a number and your child shouts out the next number. Discuss the story Robin Red Vest and how each day he shares a vest. Can you say the days of the week? Play my turn your turn. Can you order the days of the week? Use days of the week cards Can you remember what colour vest he gave away on each day?	Live lesson 10.30 if you are unable to join us please complete the following: Ask your child what number comes after ... up to 20 for example what number comes after 7, what number comes after 12. It's present time! Match the shapes to the presents. https://cdn.oxfordowl.co.uk/2016/05/10/08/28/28/967/20163_content/startpage.html?activity=Whats_Inside.html Can you find all the hidden shapes in the picture? https://cdn.oxfordowl.co.uk/2016/05/10/08/28/28/967/20163_content/startpage.html?activity=Match_the_Shape.html Ask your child to name the shapes. Can they describe the shape using its properties for example a square has 4 equal sides and 4 corners.	Do some counting from 0-20 and then 10 – 0. Say a number and your child shouts out the next number. Watch the video of 10 in a bed story/song https://www.youtube.com/watch?v=L8iNRono_uHo Find 10 cuddly toys or 10 objects to go in your bed and tell the story. Each time one teddy falls out, count how many teddies are left in your bed. When you only have one left in the bed, start again by adding one each time and show one more. Use 0-30 snowmen number cards resource to put in a line to help find 1 more and 1 less.	Live lesson 10.30 if you are unable to join us please complete the following: Ask your child what number comes before ... up to 20 for example what number comes before 10, what number comes before 15. https://www.oxfordowl.co.uk/api/interactives/24481.html play the game of 1 more and 1 less.	Do some counting from 0-20 and then 10 – 0. Use Santa's sleigh and presents resource or you could draw your own sleigh and find 10 objects as presents and make your own number cards to complete the task. Cut out the sleigh, presents and number cards. Mix the cards up. Take turns picking a number card. Count that amount of presents into Santa's sack. How many would 1 more be? How many would 1 less be? Explore finding 1 more and 1 less up to 10. Can your child: • Identify the number • Say what is 1 more than that number • Find the number card to show 1 more • Say what is 1 less than that number • Find the number card to show 1 less
Other tasks	Oxford owl https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/ has lots of free reading books that you can access. You will need to create an account first. PE: https://youtu.be/pMeKIAEpWxw this cosmic yoga is a Christmas special. Music: Christmas Day traditions songs PowerPoint resource		See if you can design a new vest for little robin vest. make sure you use a big piece of paper cut into a vest shape. What will you have on the vest? Dinosaurs? Unicorns? Rainbows? Or even Christmas themed! Christmas Maths resource paper plate robin for home learning 14.12.20 follow the step-by-step instructions. Paper Plate Robin  Feeding the birds in winter https://youtu.be/sKIyeeCBL-w watch this clip and see if you can make a bird feeder with recycled materials. Try and hang it up so you can sit inside and see it.  Do you know which birds are visiting? https://youtu.be/wCngPMIOFok this is a guide to help you identify what birds you can see.
