Can I write a diary entry?

Dear diary,

today was the best day of my life it was fun exciting but also a bit scary.

as i entered the crypt i felt nervis but excited, it was as blac as coal. i used my hans to feel around but all i cud feel was dust. i new it was goin to be hard but i realy wanted the treasure. so now all i had to do was to find the door to the treasure.

cleverly i used the book to find my way to the rite entrance. sneakily a statue hit me wen i wasnt looking i felt mad. suddenly i saw a twinkling statue i grabbed it yes!. next i saw the handle it was stiff as a pole but i turned it, i seen the treasure and went to grab it but.....

out of nowhere a gang of mummies jumped up and chased me along dark twisting tunnels, the flames were swishing lighting my way. i cud feel my hart pounding and i cud hardly breath. suddenly a river of bubbling hot lava was infront of me. i had the guts to jump across and landed on a bridge.

thankfully i made it out and onto the train i was safe here, i did feel shy and silly cos i had no clothes on. i had the best time and cant wait to do it again
