YOUNG BOY AGE 11 REPORTS  
A GHOST IN HIS HOUSE

BY HOLLY

A young boy age 11 called James Harrison says that a ghost that calls himself Thomas Kempe Is haunting him, but why? James told us this “I do have an idea why he is doing this, it is because he thinks i am his apprentice or something.

On the other hand, his mam says “James has a vivid imagination that you can’t help but wonder how he is doing? He keeps on going on and on about this so called ghost when ghosts don’t exist and never will.”

Mr Bert Ellison Is a decorator and apparently a ghost catcher he plains to catch the ghost so no one is bothered again.
