

## The phonics / reading journey

Unfortunately we are unable to host a face-to-face phonics / reading meeting for parents.

This booklet is designed to support parents with understanding phonics. There are a series of short videos linked that you can access by scanning the QR using the camera facility on a phone or Ipad / tablet or by following the web links. If you have any question, please ask a member of staff.

Alternatively, you can find information on the RWI website or [home.oxfordowl.co.uk/reading/reading-schemes-oxford-levels/read-write-inc-phonics-guide/](http://home.oxfordowl.co.uk/reading/reading-schemes-oxford-levels/read-write-inc-phonics-guide/)

Thank you for your continuing support.

Mrs Ramanandi, Miss Byrne and the Early Years Team

What are High  
Frequency Words?

## High Frequency words

- Children need to learn and be able to read all of these words and eventually spell them. When ready, children will take words home to learn.
- **Green words** - can be Fred talked.
- **Red words** - Don't fit into usual spelling patterns. They are tricky and it is necessary for children to know some words are "tricky" and can't be sounded out.

- Children are assessed frequently. Reading books will be sent home when they have the skills to access the reading books.
- Some children will access reading books after half term. For other children it may take a while longer.
- Reading activities and books will match the children's reading skills. We may send home bingo game, picture books, sound recognition books and books with words in.
- We will also send home a RWI letter mat with the rhymes on the back. Please keep this readily available for you and your child to refer to.
