## Vishest Voldemort Vanishes

By Miss Frankie , lead reporter. Of the daily prophet .

On October 31st 1981 , vishest Voldermoert turned up to Godest Hollow and cometed murder at Lilly and James Potter . After killing Lily and James Potter, he tried to kill their son Harry Potter but somehow was defeated . After trying to kill Harry Potter. Even to this day style spooce the potters howes .

Humorously , our celebracion made the muggel news yesterday night. All day , daft muggels have reaported un usual owl bahavyour. However =the unusual owl behaviour was just owls sending messages. Second, they thought that they were millions of shooting star in th air althiugh it was just witchcraft coming out of our wands. "How daft of the muggles," a witch said.

Yesterday,after finding out you-know-who had lost his powers thousands of people were jumping of joy all over britain .Unbelievably , wizards and wishes were wearing large colorful cloaks and black pointy hats everywhere you looked. People were so happy they even hugged muggels . "Rejoyest fore you shouled know YOU-KNOW-WHO has gone at last!Everybody should be celebrating this happy happy day.
