

We are TIME Gateshead, an emotional wellbeing and mental health service delivered by *The Children's Society*, supporting children, young people, and young adults aged 0–25 across Gateshead. We provide open access drop-ins where anyone can walk in and receive immediate support for any challenges they may be facing.

We are excited to announce the opening of our brand new drop-in hub at Bill Quay Farm, and we would love to invite you and your school community to our launch event:

Date: Friday, 22nd August 2025

Time: 11.00am – 3:00pm

Location: Bill Quay Farm, Hainingwood Terrace, Gateshead NE10 0UE

---

This is a chance to meet the TIME@Gateshead team, learn about the support we offer, and explore the new hub and farm in a relaxed and welcoming environment. Everyone is welcome — staff, students, parents and carers.

Please feel free to share this invite with colleagues or display it within your school.

If you have any questions or would like to let us know you're coming, feel free to reply to this email.

We hope to see you there

Kind Regards,
