LS Residential

What I learned at the Residential

- To take risks
- Push myself
- I can climb
- How to sleep
- To be outdoors not on the phone
- Teachers don't like heights
- Learned to be part of a team
- Wilderness survival
- How to make new friends
- Never give up
- How brave I can be
- To overcome fears
- Meet new people

Transition Doesn't End in September

- **Y7 Welcome Evening**
Thursday 18th September
- **Y7 Welcome Mass**
Friday 26th September

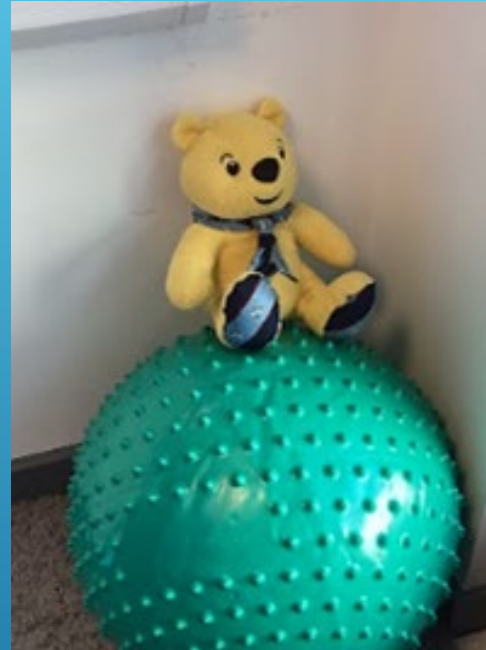

Welcome

To St. Thomas More

Make sure you keep an
eye out for our school
guide!

They can be a bit shy
so it might not be
obvious where they
are!

Our first stop is the
Reception.
We have the BEST
staff.

Check out all the awards
our Students have won!
Will you add to our
fantastic collection?

Let's take a walk through the corridor to get into the actual school, shall we?

Take a look at the walls adorned with amazing artwork from our students.

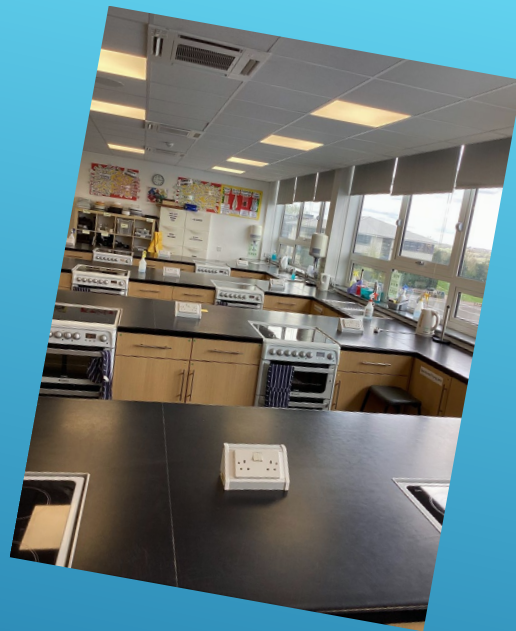

Check out our very own Apple Tree, where students say thank you to the staff.

This is the Hall- you will usually have assembly once a week here>

**NOW LETS HAVE A LOOK AT
SOME OF THE CLASSROOMS YOU
WILL BE USING.**

Our Cookery room, can you see the Bear?

These are our Labs where you will do Physics,
Chemistry and Biology

Here is the sports hall. Do you know we have a climbing wall!

This is our Literacy Hub where
you can enjoy a good book.

These are the Design Technology suites where you will be working on some of these machines.

Hope Ted is using his safety equipment! Is he?

One of the most important places in school! The dining hall!

THIS IS OUR DRAMA STUDIO
WHERE OUR SCHOOL
PERFORMS FABULOUS SHOWS!

THIS IS OUR MUSIC
DEPARTMENT - LOOK HOW
TALENTED TED IS!

THIS IS A TEXTILE
CLASSROOM.

WE HOPE YOU ENJOYED
THE TOUR
